1. The Board of Directors at its meeting held on March 16, 2016 had approved the Scheme of restructuring envisaging transfer of various operating divisions of the Company, namely Dahanu Thermal Power Station, Goa Power Station, Samalkot Power Station, Mumbai Power Transmission Division, Mumbai Power Distribution Division and Windmill Division (together considered as Power Business) to its resulting wholly owned subsidiary viz. Reliance Electric Generation and Supply Limited with effect from April 1, 2016. The Scheme received approval of the Hon'ble Bombay High Court on January 19, 2017. The Hon'ble Bombay High Court vide order dated November 20, 2017 sanctioned the effective date of the Scheme from April 1, 2016 to April 1, 2018 with liberty to apply. The Scheme is effective subject to various approvals and has not been considered as Non Current Asset held for sale as per Ind AS 105 "Non Current Assets held for sale and discontinued operations".
2. On December 21, 2017, the Company signed a Share Purchase Agreement (SPA) with Adani Transmission Limited (ATL) for sale of its integrated business of generation, transmission and distribution of power for Mumbai City. The said transaction is subject to various regulatory and customary approvals and hence has not been considered as Non Current Assets held for sale and discontinued operations as per Ind AS 105 "Non Current Assets held for sale and discontinued operations".

Had such withdrawal not been done, the Profit before tax for the quarter and nine months ended December 31, 2017 would have been lower by ₹ 28.81 crore and ₹ 36.07 crore respectively and General Reserve would have been higher by an equivalent amount. The treatment prescribed under the Scheme overrides the relevant provisions of Ind AS 1 "Presentation of Financial Statements". This matter has been referred to by the Auditors in their report.

On the above transfer there was a loss of ₹ 198.50 crore during the quarter ended September 30, 2017, being loss on fair value of assets and liabilities considered as held for sale. Pursuant to the Scheme of amalgamation of Reliance Cement Works Private Limited with Western Region Transmission (Maharashtra) Private Limited (WRTM) wholly owned subsidiary of the Company, which was subsequently amalgamated with the Company w.e.f. April 1, 2013, the Board of Directors of the Company during the quarter ended September 30, 2017 had determined this amount of ₹ 198.50 crore as Exceptional items, which was debited to the Statement of Profit and Loss and an equivalent amount had been withdrawn from General Reserve. The treatment prescribed under the Scheme overrides the relevant provisions of Ind AS 1 "Presentation of Financial Statements". This matter has been referred to by the Auditors in their report.

**Limited Review Report on Quarterly and year to date unaudited Standalone Financial Results of Reliance Infrastructure Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**To the Board of Directors of Reliance Infrastructure Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Reliance Infrastructure Limited ('the Company') for the quarter and nine months ended December 31, 2017 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI.
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on January 31, 2018. Our responsibility is to issue a report on these financial results based on our review.
3. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards i.e., Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with relevant rules issued thereunder and other recognized accounting practices and policies accepted in India, except to the extent as modified by the Court Order dated March 30, 2011 and the option exercised by the Company in accordance with the Court Order as stated in paragraphs 5 and 6 below, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Emphasis of Matter**

5. We draw attention to Note 3 of the Statement regarding the Scheme of Amalgamation ('the Scheme') between Reliance Infraprojects Limited (wholly owned subsidiary of the Company) and the Company sanctioned by the Hon'ble High Court of Judicature at Bombay vide its order dated March 30, 2011, wherein the Company, as determined by the Board of Directors, is permitted to adjust foreign exchange/derivative/hedging losses/gains debited/credited to the Statement of Profit and Loss by a corresponding withdrawal from or credit to General Reserve which overrides the relevant provisions of Ind AS - 1 'Presentation of financial statements'. The net foreign exchange loss of Rs. 28.81 Crore and Rs. 36.07 Crore for the quarter and nine months ended December 31, 2017 respectively has been

debited to Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve in terms of the Scheme. Had such withdrawal not been made, profit before tax for the quarter and nine months ended December 31, 2017 would have been lower by Rs. 28.81 Crore and Rs. 36.07 Crore respectively and General Reserve would have been higher by an equivalent amount.

6. We draw attention to Note 5 of the Statement, wherein pursuant to the Scheme of amalgamation of Reliance Cement Works Private Limited with Western Region Transmission (Maharashtra) Private Limited (WRTM), wholly owned subsidiary of the Company, which was subsequently amalgamated with the Company with effective from April 1, 2013, WRTM or its successor(s) is permitted to offset any extra ordinary/exceptional items, as determined by the Board of Directors, debited to the Statement of Profit and Loss by a corresponding withdrawal from General Reserve, which overrides the relevant provisions of IND AS – 1 'Presentation of financial statements'. During the preceding quarter ended September 30, 2017, the Board of Directors of the Company, in terms of the aforesaid scheme, determined an amount Rs 198.50 Crore to be an exceptional item being loss on fair valuation of assets and liabilities considered as held for sale. The said amount was debited to the Statement of Profit and Loss and an equivalent amount was withdrawn from General Reserve. Had such withdrawal not been made, profit before tax for the nine months ended December 31, 2017 would have been lower by Rs. 198.50 Crore and General Reserve would have been higher by an equivalent amount.

Our conclusion is not modified in respect of above matters.

7. The comparative unaudited standalone financial results for the quarter and nine months ended December 31, 2016 and audited standalone financial results for the year ended March 31, 2017 of the Company included in this Statement had been jointly reviewed/audited by Haribhakti & Co. LLP, Chartered Accountants and Pathak H.D. & Associates, Chartered Accountants, one of the joint auditors, whose reports dated February 13, 2017 and April 15, 2017 respectively expressed an unmodified conclusion/opinion on those unaudited standalone financial results for quarter and nine months ended December 31, 2016 and audited financial results for the year ended March 31, 2017.

1. The Board of Directors of Parent Company at its meeting held on March 16, 2016 had approved the Scheme of restructuring envisaging transfer of various operating divisions of the Parent Company, namely Dahanu Thermal Power Station, Goa Power Station, Samalkot Power Station, Mumbai Power Transmission Division, Mumbai Power Distribution Division and Windmill Division (together considered as Power Business) to its resulting wholly owned subsidiary viz. Reliance Electric Generation and Supply Limited with effect from April 1, 2016. The Scheme received approval of the Hon'ble Bombay High Court on January 19, 2017. The Hon'ble Bombay High Court vide order dated November 20, 2017 sanctioned the effective date of the Scheme from April 1, 2016 to April 1, 2018 with liberty to apply. The Scheme will be effective subject to various approvals and accordingly, no effect of the said Scheme is given in the books of account.
2. On December 21, 2017, the Parent Company signed a Share Purchase Agreement (SPA) with Adani Transmission Limited (ATL) for sale of its integrated business of generation, transmission and distribution of power for Mumbai City. The said transaction is subject to various regulatory and customary approvals and hence has not been considered as Non Current Assets held for sale and discontinued operations as per Ind AS 105 "Non Current Assets held for sale and discontinued operations".
3. Pursuant to the option exercised under the Scheme of Amalgamation of Reliance Infraprojects Limited with the Parent Company sanctioned by the Hon'ble High Court of Judicature at Bombay on March 30, 2011, net foreign exchange loss of ₹ 28.81 crore and ₹ 36.07 crore of the Parent Company for the quarter and nine months ended December 31, 2017 respectively has been debited to the Consolidated Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve. Had such withdrawal not been done, the Profit before tax for the quarter and nine months ended December 31, 2017 would have been lower by ₹ 28.81 crore and ₹ 36.07 crore respectively and General Reserve would have been higher by an equivalent amount. The treatment prescribed under the Scheme overrides the relevant provisions of Ind AS 1 "Presentation of Financial Statements". This matter has been referred to by the Auditors in their report.
4. Unrealised (loss)/profit amounting to ₹ (4.74) crore and ₹ 14.54 crore during the quarter and nine months ended December 31, 2017 respectively, pertaining to EPC contracts entered into with associate companies, have not been eliminated as prescribed by a Scheme of Amalgamation between Reliance Bhavnagar Power Private Limited and Reliance Jamnagar Power Private Limited and Reliance Infrastructure Engineers Private Limited with the Parent Company sanctioned by the Hon'ble High Court of Judicature at Bombay in February 2013. The Parent Company considers that the prescribed accounting treatment leads to a more accurate reflection of the results of the working of the Parent Company. Had the relevant provisions of IND AS 28 "Investments in Associates and Joint Ventures" been followed, the Profit before tax and carrying cost of investment in associate for the quarter and nine months ended December 31, 2017 would have been higher by ₹ 4.74 crore and lower by ₹ 14.54 crore respectively. This matter has been referred to by the Auditors in their report.
5. On April 28, 2017 Reliance Infrastructure Invit Fund filed updated Draft Red Herring Prospectus (DRHP) with Securities and Exchange Board of India (SEBI). Pursuant to such filing, the Parent Company proposed to transfer the controlling interest in seven Toll Road Companies viz. DS Toll Road Limited, GF Toll Road Private Limited, NK Toll Road Limited, JR Toll Road Private Limited, SU Toll Road Private Limited, TK Toll Road Private Limited and TD Toll Road Private Limited and accordingly the assets and liabilities of these subsidiaries have been considered as Non-Current Asset held for sale as per Ind AS 105 "Non Current Assets held for sale and discontinued operations"
6. On October 12, 2017, the Parent Company completed the transfer of its Western Region System Strengthening Scheme (WRSSS) Transmission Undertakings to its two Subsidiaries namely Western Transmission Gujarat Limited (WTGL) and Western Transco Power Limited (WTPL) and accordingly the Assets and Liabilities as well as Income and Expenditure of WRSSS have been considered as Non Current Assets held for sale and discontinued operations as per Ind AS 105 "Non Current Assets held for sale and discontinued operations". Subsequently on November 01, 2017, the Parent Company has completed 100% stake sale in these two Subsidiaries namely WTGL and WTPL to Adani Transmission Limited (ATL).

On the above transfer there was a loss of ₹ 198.50 crore during the quarter ended September 30, 2017, being loss on fair value of assets and liabilities considered as held for sale. Pursuant to the Scheme of amalgamation of Reliance Cement Works Private Limited with Western

Region Transmission (Maharashtra) Private Limited (WRTM), wholly owned subsidiary of the Parent Company, which was subsequently amalgamated with the Parent Company w.e.f. April 1, 2013, the Board of Directors of the Parent Company during the quarter ended September 30, 2017 had determined this amount of ₹ 198.50 crore as Exceptional item,, which was debited to the Statement of Profit and Loss and an equivalent amount had been withdrawn from General Reserve. Had such withdrawal not been done, the Profit before tax for the nine months ended December 31, 2017 would have been lower by ₹ 198.50 crore and General Reserve would have been higher by an equivalent amount. The treatment prescribed under the Scheme overrides the relevant provisions of Ind AS 1 "Presentation of Financial Statements". This matter has been referred to by the Auditors in their report.

7. During the quarter ended on December 31, 2017, Reliance Armaments Limited and Reliance Ammunition Limited have been incorporated as wholly owned subsidiaries of the Parent Company.
8. Delhi Airport Metro Express Private Limited (DAMEPL), a SPV of the Parent Company, had terminated the Concession Agreement with Delhi Metro Rail Corporation (DMRC) for the Delhi Airport Metro Line and the operations were taken over by DMRC with effect from July 1, 2013. As per the terms of the Concession Agreement, DMRC was liable to pay DAMEPL a Termination Payment which was estimated at ₹ 2,823 crore. The matter was referred to arbitration and DAMEPL was awarded Termination payment of ₹ 2,782.33 crore with interest thereon from August 7, 2013 at the rate of SBI PLR plus 2%. DMRC preferred an appeal before the Hon'ble High Court against the said award. Pending receipt of funds and disposal of the appeal, no effect of the award has been given in the books. As per the directions of the Hon'ble Delhi High Court, DAMEPL received an interim relief pending finalisation of the order of ₹ 120 crore which has been used by DAMEPL to service its debt. The Parent Company still continues to fund the statutory and other obligations of DAMEPL post takeover by DMRC and accordingly has funded ₹ 14.16 crore and ₹ 106.81 crore during the quarter and nine months ended on December 31, 2017. The total investment made by the Company in DAMEPL upto December 31, 2017 amounts to ₹ 2,446.76 crore.
9. Delhi Electricity Regulatory Commission (DERC) issued its Tariff Orders on September 29, 2015 upto March 31, 2014 and on August 31, 2017 for the years 2014-15 and 2015-16 to BSES Rajdhani Power Limited (BRPL) and BSES Yamuna Power Limited (BYPL) (Delhi Discoms), whereby it had trued up the revenue gap with certain dis-allowances. The Delhi Discoms have preferred appeal against the Order before Hon'ble Appellate Tribunal for Electricity (APTEL). Based on the legal opinion, the impact of such disallowances, which are subject matter of appeal, has not been considered in the computation of regulatory asset as at December 31, 2017. This matter has been referred to by the Auditors in their report.
10. NTPC Limited served notice to Delhi Discoms for regulation (suspension) of power supply on February 01, 2014 due to delay in payments. The Delhi Discoms appealed against the notice before the Hon'ble Supreme Court (SC) and prayed for suitable direction from Hon'ble SC to DERC for providing cost reflective tariff and giving a roadmap for liquidation of the accumulated Regulatory Assets. The Hon'ble SC in its interim order directed the Delhi Discoms to pay the current dues. The Delhi Discoms sought modification of the said order so as to allow them to pay 70% of the current dues and are awaiting decision of the Hon'ble Supreme Court, which is reserved. This matter has been referred to by the Auditors in their report.
11. Pursuant to the direction of the Department of Power (GoNCTD) on January 07, 2014, the Comptroller and Auditor General of India (CAG) conducted audit of Delhi Discoms and submitted the draft audit report. The Hon'ble HC in its order dated October 30, 2015 set aside the directions of GoNCTD and directed that "all actions taken pursuant to the directions and all acts undertaken in pursuance thereof are infructuous". The aggrieved parties have filed an appeal against the Hon'ble HC judgement before the Hon'ble Supreme Court (SC) which was last heard on March 9, 2017. The Court has reserved its order on the issue whether it would like to hear the matter or transfer it to the constitutional bench where matter between GoNCTD powers vis-a-vis Lieutenant Governor (LG) powers is pending. 5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited consolidated financial results prepared in accordance with applicable accounting standards i.e., Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with relevant rules issued thereunder and other recognized accounting practices and policies accepted in India, except to the extent as modified by the Court Orders and the option exercised by the Company in accordance with the Court Orders as stated in paragraphs 6(a),6(b) and 6(c) below, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with relevant circulars issued by SEBI, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**6. Emphasis of Matter**

- a. We draw attention to Note 3 of the Statement regarding the Scheme of Amalgamation between Reliance Infraprojects Limited (wholly owned subsidiary of the Company) and the Company sanctioned by the Hon'ble High Court of Judicature at Bombay vide its order dated March 30, 2011, wherein the Company, as determined by the Board of Directors, is permitted to adjust foreign exchange/derivative/hedging losses/gains debited/credited to the Statement of Profit and Loss by a corresponding withdrawal from or credit to General Reserve which overrides the relevant provisions of IND AS - 1 'Presentation of financial statements'. The net foreign exchange loss of Rs. 28.81 Crore and Rs. 36.07 Crore for the quarter and nine months ended December 31, 2017 respectively has been debited to Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve in terms of the said Scheme. Had such withdrawal not been made, profit before tax for the quarter and nine months ended December 31, 2017 would have been lower by Rs. 28.81 Crore and Rs.36.07 Crore respectively and General Reserve would have been higher by an equivalent amount.
- b. We draw attention to Note 4 of the Statement detailing the accounting treatment prescribed in the Scheme of Amalgamation between Reliance Bhavnagar Power Private Limited, Reliance Infrastructure Engineers Private Limited and Reliance Jamnagar Power Private Limited (wholly owned subsidiaries of the Company) and the Company, sanctioned by the Hon'ble High Court of Judicature at Bombay vide order dated February 22, 2013, wherein as per the Scheme, the Company

is permitted to account for its Engineering, Procurement and Construction (EPC) as well as Contracting activities without making any distinction whether the Principal [for whom the Company is the contractor] is an associate, subsidiary of the associate or any third party. Accordingly, the Company has not eliminated any part of unrealised (loss) / profits for the quarter and nine months ended December 31, 2017 of Rs. (4.74) Crore and Rs. 14.54 Crore respectively on its EPC contracts with its associates and subsidiaries of associates in its consolidated financial results as permitted by the Scheme, which overrides the relevant provisions of IND AS 28 - 'Investments in Associates and Joint Ventures'. Had the Scheme not prescribed the above treatment, profit before tax and carrying cost of investment in associates for the quarter and nine months ended December 31, 2017 would have been higher by Rs. 4.74 Crore and lower by Rs. 14.54 Crore respectively.

- c. We draw attention to Note 6 of the Statement, wherein pursuant to the Scheme of amalgamation of Reliance Cement Works Private Limited with Western Region Transmission (Maharashtra) Private Limited (WRTM), wholly owned subsidiary of the Company, which was subsequently amalgamated with the Company with effective from April 1, 2013, WRTM or its successor(s) is permitted to offset any extra ordinary/exceptional items, as determined by the Board of Directors, debited to the Statement of Profit and Loss by a corresponding withdrawal from General Reserve, which overrides the relevant provisions of IND AS – 1 'Presentation of financial statements'. During the preceding quarter ended September 30, 2017, the Board of Directors of the Company, in terms of the aforesaid scheme, determined an amount Rs. 198.50 Crore to be an exceptional item being loss on fair valuation of assets and liabilities considered as held for sale. The said amount was debited to the Statement of Profit and Loss and an equivalent amount was withdrawn from General Reserve. Had such withdrawal not been made, profit before tax for the nine months ended December 31, 2017 would have been lower by Rs. 198.50 Crore and General Reserve would have been higher by an equivalent amount.
- d. We draw attention to the following matters to which the statutory auditors of Company's subsidiaries, BSES Rajdhani Power Limited (BRPL) and BSES Yamuna Power Limited (BYPL), and an associate company, Reliance Power Limited, have drawn an Emphasis of Matter in their review reports:
- i.) Note 9 of the Statement with regard to DERC Tariff Order received by BRPL and BYPL wherein revenue gap upto March 31, 2014, March 31, 2015 and March 31, 2016 has been trued up with certain disallowances. BRPL and BYPL have preferred an appeal before Appellate Tribunal (APTEL) on the above disallowance and based on legal opinion, no impact of such disallowance, which is subject matter of appeal, has been considered.
  - ii.) Note 10 of the Statement regarding dues payable to NTPC and other Generator by BRPL and BYPL for which matter is pending before Hon'ble Supreme Court.
  - iii.) Note 11 of the Statement relating to status of audit of BRPL and BYPL conducted by the Comptroller and Auditor General of India.
  - iv.) Note 12 of the Statement with respect to Samalkot Power Limited (SMPL), a wholly owned subsidiary of Reliance Power Limited ('RPower'), an associate of the Company. SMPL is confident of arriving at a positive resolution to the situation arising from the unavailability of natural gas in the country, and concluding sale of its 745 MW plant. Having regard to the foregoing and the continued financial support from Reliance Power Limited, the management believes that SMPL would be able to meet its financial obligations in the foreseeable future. Accordingly, the financial statements of SMPL have been prepared on a going concern basis.

v.) Note 13 of the Statement regarding the method of depreciation adopted by the Group for the purpose of consolidated financial results being different from the depreciation method adopted by RPower for reasons stated therein.

Our conclusion is not modified in respect of above matters.
