To Board of Directors of Reliance Infrastructure Limited

1. We were engaged to review the accompanying statement of standalone unaudited financial results of Reliance Infrastructure Limited ('the Company') for the quarter ended June 30, 2020 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended. Attention is drawn to the fact that the figures for the three months ended March 31, 2020 as reported in these statements are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors in their meeting held on July 30, 2020, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India.
3. Our responsibility is to express a conclusion on the Statement based on our review. However, because of the matters described in paragraph 4 below, we were not able to obtain sufficient appropriate evidence to provide a basis of our conclusion on this Statement.
4. We refer to Note 10 to the Statement regarding the Company's exposure in an EPC Company as on June 30, 2020 aggregating to Rs. 8,109.06 Crore (net of provision of Rs. 3,972.17 Crore). Further, the Company has also provided corporate guarantees aggregating to Rs. 1,775 Crore on behalf of the aforesaid EPC Company towards borrowings of the EPC Company.

According to the Management of the Company, these amounts have been funded mainly for general corporate purposes and towards funding of working capital requirements of the party which has been engaged in providing Engineering, Procurement and Construction (EPC) services primarily to the Company and its subsidiaries and its associates and the EPC Company will be able to meet its obligation.

As referred to in the above note, the Company has further provided Corporate Guarantees of Rs. 4,895.87 Crore in favour of certain companies towards their borrowings. According to the Management of the Company these amounts have been given for general corporate purposes.

We were unable to evaluate about the relationship, recoverability and possible obligation towards the Corporate Guarantees given. Accordingly, we are unable to determine the consequential implications arising therefrom in the standalone unaudited financial results of the Company.

5. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
6. The Statement includes the financial information of the following joint operations

Sr. No.	Name of the Joint Operations
1.	Rinfra & Construction Association Interbudmntazh JT Stock Co. Ukkraine (Jv)
2.	Rinfra – Astaldi Joint Venture
3.	Rinfra – Astaldi JV

7. Based on the review conducted and procedures performed as stated in paragraph 5 above and based on the consideration of the review reports of other auditors referred to in paragraph 13 below, because of the substantive nature and significance of the matter described in paragraph 4 above, we have not been able to obtain sufficient appropriate evidence to provide our basis of our conclusion as to whether the accompanying Statement of unaudited financial results prepared in accordance with applicable Accounting Standards i.e. Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act 2013 read with relevant rules issued there under and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
8. We draw attention to Note 4 to the Statement, wherein the Company has outstanding obligations to lenders and the Company is also a guarantor for its subsidiaries and associates whose loans have also fallen due which indicate that material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, for the reasons more fully described in the aforesaid note the accounts of the Company have been prepared as a Going Concern. Our conclusion on the Statement is not modified in respect of this matter.
9. We draw attention to Note 3 to the Statement regarding the Scheme of Amalgamation ('the Scheme') between Reliance Infraprojects Limited (wholly owned subsidiary of the Company) and the Company sanctioned by the Hon'ble High Court of Judicature at Bombay vide its order dated March 30, 2011, wherein the Company, as determined by the Board of Directors, is permitted to adjust foreign exchange/derivative/hedging losses/gains debited/credited to the Statement of Profit and Loss by a corresponding withdrawal from or credit to General Reserve which overrides the relevant provisions of Ind AS – 1 'Presentation of financial statements'. The net foreign exchange loss of Rs. 5.73 Crore for the quarter ended June 30, 2020 has been debited to Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve in terms of the Scheme. Had such withdrawal not been made, loss before tax for the quarter ended June 30, 2020 would have been higher by Rs.5.73 Crore and General Reserve would have been higher by an equivalent amount. Our conclusion on the Statement is not modified in respect of above matter.

10. We draw attention to Note 8 to the Statement which describes the impairment assessment performed by the Company in respect of its receivables of Rs. 819.27 Crore in Reliance Power Limited (RPower) in accordance with Ind A S 36 "Impairment of assets" / Ind AS 109 "Financial Instruments". This assessment involves significant management judgment and estimates on the valuation methodology and various assumptions used in determination of value in use/fair value by independent valuation experts / management as more fully described in the aforesaid note. Based on management's assessment and independent valuation reports, no impairment is considered necessary on the receivables. Our Conclusion on the Statement is not modified in respect of above matter.
11. We draw attention to Note 7 to the Statement regarding KM Toll Road Private Limited (KMTR), a subsidiary of the Company, has terminated the Concession Agreement with National Highways Authority of India (NHAI) for Kandla Mundra Road Project (Project) on May 7, 2019, on account of Material Breach and Event of Default under the provisions of the Concession Agreement by NHAI. The Company is confident of recovering its entire investment of Rs 544.94 Crore in KMTR, as at June 30, 2020 and no impairment has been considered necessary against the above investment for the reasons stated in the aforesaid note. Our Conclusion on the Statement is not modified in respect of above matter.
12. We draw attention to Note 2 to the Statement, as regards to the management evaluation of COVID – 19 impact on the future performance of the Company. Our conclusion on the Statement is not modified in respect of this matter.
13. We did not review the financial information of 3 joint operations included in the Statement, whose financial information reflect total revenues of Rs. 39.29 Crore, total net profit after tax of Rs. 1.64 Crore and total comprehensive income of Rs. 1.64 Crore for the quarter ended June 30, 2020 as considered in this Statement. These financial information have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far it relates to amounts and disclosures included in respect of these joint operations, is solely based on the reports of the other auditors and the procedures performed by us as stated in paragraph 5 above.
14. The comparative unaudited standalone financial results of the Company for the quarter ended June 30, 2019 and for the year ended March 31, 2020 included in this Statement had been reviewed/audited by Pathak H. D. & Associates LLP, Chartered Accountants, whose reports dated August 13, 2019 and May 8, 2020 respectively expressed a Disclaimer of Opinion on those unaudited standalone financial results for the quarter ended June 30, 2019 and audited financial results for the year ended March 31, 2020.

The Standalone Financial Results of Reliance Infrastructure Limited ("the Company") have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016.
2. The outbreak of COVID-19 epidemic has significantly impacted businesses around the world. The Government of India ordered nationwide lockdown to prevent community spread of COVID-19 and is easing the same in phases. This has resulted in significant reduction in economic activities. It has impacted business by way of interruption in construction activities, operations of metros, toll collections, supply chain disruption, unavailability of personnel, closure / lock down of various other facilities etc. Few of the activities, viz construction at sites, toll collections, etc. have already commenced and the scale of operations is expected to normalize soon.

The Company has considered various internal and external information including assumptions relating to economic forecasts up to the date of approval of these financial results for assessing the recoverability of financial and non financial assets. The Company expects to recover the carrying amount of these assets based on the current indicators of future economic conditions. Further the Company has availed protections available to it as per various contractual provisions to reduce the impact of COVID-19.

The aforesaid evaluation is based on projections and estimations which are dependent on future development including government policies. Any changes due to the changes in situations / circumstances will be taken into consideration, if necessary, as and when it crystallizes.

3. Pursuant to the Scheme of Amalgamation of Reliance Infraprojects Limited with the Company, sanctioned by the Hon'ble High Court of Judicature at Bombay on March 30, 2011, net foreign exchange loss of Rs 5.73 Crore for the quarter ended June 30, 2020 has been debited to the Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve. Had such withdrawal not been done, the loss before tax would have been higher by Rs 5.73 Crore for the quarter ended June 30, 2020 and General Reserve would have been higher by an equivalent amount. The treatment prescribed under the Scheme overrides the relevant provisions of Ind AS 1 "Presentation of Financial Statements". This matter has been referred to by the auditors in their report as an emphasis of matter.
4. The Company has outstanding obligations payable to lenders and in respect of loan arrangements of certain entities including subsidiaries/associates where the Company is also a guarantor where certain amounts have also fallen due. The resolution plans have been submitted to the lenders of respective companies which are under their consideration. The Company is confident of meeting of all the obligations by way of time bound monetisation of its assets and receipt of various claims and accordingly, notwithstanding the dependence on these material uncertain events the Company continues to prepare the Standalone Financial Results on a going concern basis.
5. Other income during the quarter includes Rs 107.49 Crore relating to gain on fair valuation of Investment in shares of Reliance Power Limited (Rpower). The Corresponding impact during the previous quarter/year was considered in the Capital reserve. Figures for the current quarter are not comparable to previous quarter/year ended March 31, 2020 to that extent.
6. The dispute between Delhi Airport Metro Express Private Limited (DAMEPL), a subsidiary of the Company and Delhi Metro Rail Corporation (DMRC) arising out of the termination of the Concession Agreement for Delhi Airport Metro Express Line Project (Project) by DAMEPL was referred to arbitral tribunal, which vide its award dated May 11, 2017, granted arbitration award of Rs 4,662.59 Crore on the date of the Award in favour of DAMEPL being inter alia in consideration of DAMEPL transferring the ownership of the Project to DMRC who has taken over the same. The Award was upheld by a Single Judge of Hon'ble Delhi High Court vide Judgment dated March 06, 2018. However, the said Judgment dated March 06, 2018 was set aside by the Division Bench of Hon'ble Delhi High Court vide Judgment dated January 15, 2019. DAMEPL has filed Special Leave Petition (SLP) before the Hon'ble Supreme Court of India against the said Judgment dated January 15, 2019 of Division Bench of Hon'ble Delhi High. Hon'ble Supreme Court of India, while hearing the Interlocutory Application filed by DAMEPL seeking Interim relief, had directed vide its Order dated April 22, 2019 that DAMEPL's accounts shall not be declared as NPA till further orders and further directed listing of the SLP for hearing on July 23, 2019. However, the matter was adjourned on DMRC's request dated July 22, 2019. Later, the hearing could not take place due to various reasons including COVID-19 lockdown. The SC vide its order dated June 15, 2020 has scheduled the hearing on July 29, 2020 for final submissions and the same was adjourned to August 19, 2020. Based on the facts of the case and the applicable law, DAMEPL is confident of

succeeding in the Hon'ble Supreme Court. In view of the above, pending outcome of SLP before the Hon'ble Supreme Court of India, DAMEPL has continued to prepare its financial statements on going concern basis.

7. KM Toll Road Private Limited (KMTR), a subsidiary of the Company, has terminated the Concession Agreement with National Highways Authority of India (NHAI) for Kandla Mundra Road Project (Project) on May 7, 2019, on account of Material Breach and Event of Default under the provisions of the Concession Agreement by NHAI. The operation of the Project has been taken over by NHAI and NHAI has given a contract to a third party for Toll collection with effect from April 16, 2019. Consequently, NHAI is liable to pay KMTR a termination payment estimated at Rs 1,205.47 Crore, as the termination has arisen owing to NHAI Event of Default. KMTR vide its letter dated May 6, 2019 has also issued a notice to NHAI for the termination payment. Pending final outcome of the notice and possible arbitration proceedings and as legally advised, the claims for the termination payment are considered fully enforceable. The Company is confident of recovering its entire investment of Rs 544.94 Crore in KMTR, as at June 30, 2020 and no impairment has been considered necessary against the above investment. The investment in the KMTR are classified as Discontinued operations as per Ind AS 105 "Non Current Assets held for sale and discontinued operations".
8. The Company has net recoverable amounts aggregating to Rs 819.27 Crore from RPower as at June 30, 2020. Management has recently performed an impairment assessment of these recoverable by considering inter alia the valuations of the underlying subsidiaries of RPower which are based on their value in use (considering discounted cash flows) and valuations of other assets of RPower/its subsidiaries based on their fair values, which have been determined by external valuation experts. The determination of the value in use / fair value involves significant management judgement and estimates on the various assumptions including relating to growth rates, discount rates, terminal value, time that may be required to identify buyers, negotiation discounts etc. Accordingly, based on the assessment, impairment of said recoverable is not considered necessary by the management.
9. The Company has entered into a Share Purchase Agreement with Cube Highways and Infrastructure III Pte Limited for sale of its entire stake in DA Toll Road Private Limited, a subsidiary of the Company. To this end along with other companies of the Reliance Group the Company funded EPC Company by way of project advances, subscription to debentures and inter corporate deposits. The total exposure of the Company as on June 30, 2020 is Rs 8,109.06 Crore net of provision of Rs 3,972.17 Crore. The Company has also provided corporate guarantees aggregating of Rs 1,775 Crore.

Given the huge opportunity in the EPC field particularly considering the Government of India's thrust on infrastructure sector coupled with increasing project and EPC activities of the Reliance Group, the EPC Company with its experience will be able to achieve substantial project activities in excess of its current levels, thus enabling the EPC Company to meet its obligations. The Company is reasonably confident that the provision will be adequate to deal with any contingency relating to recovery from the EPC Company.

The Company has further provided corporate guarantees of Rs. 4,895.87 Crore on behalf of certain companies towards their borrowings. As per the reasonable estimate of the management of the Company, it does not expect any obligation against the above guarantee amount

11. The listed non convertible debentures of Rs 1,087.70 Crore as on June 30, 2020 are secured by way of first pari passu charge on certain fixed assets and investments. There are certain shortfalls in the security cover.

Attention is drawn to the fact that the figures for the three months ended March 31, 2020 as reported in these statements are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
2. This Statement which is the responsibility of the Parent Company's Management and approved by the Parent's Board of Directors in their meeting held on July 30, 2020, has been prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 ("the Act") and other accounting principles generally accepted in India.
3. Our responsibility is to express a conclusion on the Statement based on our review. However, because of the matter described in paragraph 4 below, we were not able to obtain sufficient appropriate evidence to provide a basis of our conclusion on this Statement.
4. We refer to Note 6 to the Statement regarding the Parent Company has exposure in an EPC Company as on June 30, 2020 aggregating to Rs. 8,109.06 Crore (net of provision of Rs. 3,972.17 Crore). Further, the Parent Company has also provided corporate guarantees aggregating to Rs. 1,775 Crore on behalf of the aforesaid EPC Company towards borrowings of the EPC Company.

According to the Management of the Parent Company, these amounts have been funded mainly for general corporate purposes and towards funding of working capital requirements of the party which has been engaged in providing Engineering, Procurement and Construction (EPC) services primarily to the Parent Company and its subsidiaries and its associates and the EPC Company will be able to meet its obligation.

As referred to in the above note, the Parent Company has further provided Corporate Guarantees of Rs. 4,895.87 Crore in favour of certain companies towards their borrowings. According to the Management of the Parent Company these amounts have been given for general corporate purposes.

5. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended to the extent applicable.

7. Based on the review conducted and procedures performed as stated in paragraph 5 above and based on the consideration of the review reports of other auditors referred to in paragraph 16 below, because of the substantive nature and significance of the matter described in paragraph 4 above, we have not been able to obtain sufficient appropriate audit evidence to provide our basis of our conclusion as to whether the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
8. We draw attention to Note 4, 5 and 7 to the Statement in respect of:
- a. Mumbai Metro One Private Limited (MMOPL) whose net worth has been eroded and, as at the quarter ended June 30, 2020, MMOPL's current liabilities exceeded its current assets. These events or conditions, along with other matters as set forth in Note 5(a) to the Statement, indicate that a material uncertainty exists that may cast significant doubt on MMOPL's ability to continue as a going concern. However, the unaudited financial results of MMOPL have been prepared on a going concern basis for the reasons stated in the said Note.
 - b. GF Toll Road Private Limited (GFTR), which indicates that due to the inability of GFTR to repay the overdue amount of instalments, the lenders have classified GFTR as a Non-Performing Asset (NPA). The events and conditions along with the other matters as set forth in Note 5(b) to the Statement, indicate that a material uncertainty exists that may cast significant doubt on GFTR ability to continue as a going concern. However, the unaudited financial results of GFTR have been prepared on a going concern basis for the reasons stated in the said Note.
 - c. TK Toll Road Private Limited (TKTR), which indicates that TKTR has incurred a net loss during the quarter ended June 30, 2020 and during the previous year and as on date the current liabilities exceed the current assets. These conditions along with other matters set forth in Note 5(c) to the Statement, indicate that a material uncertainty exists that may cast significant doubt on TKTR's ability to continue as a going concern. However, the unaudited financial results of TKTR have been prepared on a going concern basis for the reasons stated in the said Note.
 - d. TD Toll Road Private Limited (TDTR), which indicates that TDTR has incurred a net loss during the quarter ended June 30, 2020 and during the previous year and as on date the current liabilities exceed the current assets. These conditions along with other matters set forth in Note 5(d) to the Statement, indicate that a material uncertainty exists that may cast significant doubt on TDTR's ability to continue as a going concern. However, the unaudited financial results of TDTR have been prepared on a going concern basis for the reasons stated in the said Note.
 - e. KM Toll Road Private Limited (KMTR), has terminated the Concession Agreement with National Highways Authority of India (NHAI) for Kandla Mundra Road Project (Project) on May 7, 2019, and accordingly the business operations of the Company post termination date has ceased to continue. These conditions alongwith the other matters set forth in Note 7 indicate that material uncertainty exists that may cast significant doubt on KMTR's ability to continue as a going concern. However, the unaudited financial results of KMTR have been prepared on a going concern basis for the reasons stated in the said Note.

- f. Delhi Airport Metro Express Private Limited (DAMEPL) which has significant accumulated losses and a special leave petition in relation to an Arbitration Award is pending with the Honorable Supreme Court of India. These events and conditions as more fully described in Note 4 to the Statement indicate that a material uncertainty exists that may cast a significant doubt on DAMEPL's ability to continue as a going concern. The auditors of DAMEPL have referred this matter in the 'Emphasis of Matters' paragraph in their report.
- g. Additionally the auditors of certain subsidiaries and associates have highlighted material uncertainties related to going concern / emphasis of matter paragraph in their respective audit reports.

The Parent Company has outstanding obligations to lenders and is also an guarantor for its subsidiaries and as stated in paragraphs a to g above in respect of the subsidiaries and associates of the Parent Company, the consequential impact of these events or conditions, along with other matters as set forth in Note 5(e) to the Statement, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern.

Our Conclusion is not modified in respect of the above matters.

9. We draw attention to Note 3 to the Statement regarding the Scheme of Amalgamation ('the Scheme') between Reliance Infraprojects Limited (wholly owned subsidiary of the Parent Company) and the Parent Company sanctioned by the Hon'ble High Court of Judicature at Bombay vide its order dated March 30, 2011, wherein the Parent Company, as determined by the Board of Directors, is permitted to adjust foreign exchange/derivative/hedging losses/gains debited/credited to the Statement of Profit and Loss by a corresponding withdrawal from or credit to General Reserve which overrides the relevant provisions of Ind AS - 1 "Presentation of financial statements". The net foreign exchange loss of Rs. 5.73 Crore for the quarter ended June 30, 2020 has been debited to the Consolidated Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve in terms of the Scheme. Had such withdrawal not been made, loss before tax for the quarter ended June 30, 2020 would have been higher by Rs. 5.73 Crore and General Reserve would have been higher by an equivalent amount. Our conclusion on the Statement is not modified in respect of this matter.
10. We draw attention to Note 9 to the Statement which describes the impairment assessment performed by the Parent Company in respect of its receivable aggregating to Rs. 2,061.52 Crore in Reliance Power Limited (RPower) as at June 30, 2020 in accordance with Ind AS 36 "Impairment of assets" / Ind AS 109 "Financial Instruments". This assessment involves significant management judgment and estimates on the valuation methodology and various assumptions used in determination of value in use/fair value by independent valuation experts / management as more fully described in the aforesaid note. Based on management's assessment and independent valuation reports, no impairment is considered necessary on the investment and the recoverable amounts. Our conclusion on the Statement is not modified in respect of this matter.
11. We draw attention to Note 7 to the Statement with respect to KMTR has terminated the concession agreement with NHAI on May 7, 2019 and accordingly, the business operations of KMTR post termination date has ceased to continue. No provision for impairment in values of assets of the Company has been considered in the financial statements of KMTR for the reasons stated in the said note. Our conclusion on the Statement is not modified in respect of this matter.

12. We draw attention to Note 11 to the Statement with regard to Delhi Electricity Regulatory Commission (DERC) Tariff Order received by BSES Rajdhani Power Limited (BRPL) and BSES Yamuna Power Limited (BYPL), subsidiaries of the Parent Company, wherein revenue gap upto March 31, 2014, March 31, 2015, March 31, 2016, March 31, 2017 and March 31, 2018 has been trued up with certain disallowances. BRPL and BYPL have preferred an appeal before Appellate Tribunal (APTEL) on the said disallowance and based on legal opinion, no impact of such disallowance, which is subject matter of appeal, has been considered. Our conclusion on the Statement is not modified in respect of this matter.
13. We draw attention to Note 12 to the Statement regarding dues payable to various electricity generating companies and timely recovery of accumulated regulatory deferral account balance by BRPL and BYPL in respect of which the dispute is pending before Hon'ble Supreme Court. Our conclusion on the Statement is not modified in respect of this matter.
14. We draw attention to Note 13 to the Statement relating to the audit of BRPL and BYPL conducted by the Comptroller and Auditor General of India (CAG), stay granted by the Honorable High Court against any action to be taken by CAG pursuant to the said audit and the subsequent appeal by the CAG and others against judgment of the Honorable High Court. Our conclusion on the Statement is not modified in respect of this matter.
15. We draw attention to Note no. 2 to the Statement, as regards to the management evaluation of COVID – 19 impact on the future performance of the Group. Our conclusion on the Statement is not modified in respect of this matter.

Notes:

1. The Consolidated Financial Results of Reliance Infrastructure Limited (the Parent Company), its subsidiaries (together referred to as the "Group"), associates and joint ventures have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) Amendment Rules, 2016.
2. The outbreak of COVID-19 epidemic has significantly impacted businesses around the world. The Government of India ordered nationwide lockdown to prevent community spread of COVID-19 and is easing the same in phases. This has resulted in significant reduction in economic activities. It has impacted business by way of interruption in construction activities, operations of metros, toll collections, supply chain disruption, unavailability of personnel, closure / lock down of various other facilities etc. Few of the activities, viz construction at sites, toll collections, etc. have already commenced and the scale of operations is expected to normalize soon.

Further, to reduce the impact on cash flows of the group, it has availed moratorium on term loans with respect to certain subsidiaries (Delhi Discoms & selected toll road companies) as per RBI guidelines, wherever applicable.

The Group has considered various internal and external information including assumptions relating to economic forecasts up to the date of approval of these financial results for assessing the recoverability of financial and non financial assets. The Group expects to recover the carrying amount of these assets based on the current indicators of future economic conditions. Further the Group has availed protections available to it as per various contractual provisions to reduce the impact of COVID-19.

The aforesaid evaluation is based on projections and estimations which are dependent on future development including government policies. Any changes due to the changes in situations / circumstances will be taken into consideration, if necessary, as and when it crystallizes.

3. Pursuant to the Scheme of Amalgamation of Reliance Infraprojects Limited with the Parent Company, sanctioned by the Hon'ble High Court of Judicature at Bombay on March 30, 2011, net foreign exchange loss of Rs 5.73 Crore for the quarter ended June 30, 2020 has been debited to the Consolidated Statement of Profit and Loss and an equivalent amount has been withdrawn from General Reserve. Had such withdrawal not been done, the loss before tax for the quarter ended June 30, 2020 would have been higher by Rs 5.73 Crore and General Reserve would have been higher by an equivalent amount. The treatment prescribed under the Scheme overrides the relevant provisions of Ind AS 1 "Presentation of Financial Statements". This matter has been referred to by the auditors in their report as an emphasis of matter.
4. The dispute between Delhi Airport Metro Express Private Limited (DAMEPL), a subsidiary of the Parent Company and Delhi Metro Rail Corporation (DMRC) arising out of the termination of the Concession Agreement for Delhi Airport Metro Express Line Project (Project) by DAMEPL was referred to an arbitral tribunal, which vide its Award dated May 11, 2017, granted Rs 4,662.59 Crore (on the date of the Award) in favour of DAMEPL being inter alia in consideration of DAMEPL transferring the ownership of the Project to DMRC, who has taken over the same. The Award was upheld by a Single Judge of Hon'ble Delhi High Court vide Judgment dated March 06, 2018. However, the said Judgment dated March 06, 2018 was set aside by the Division Bench of Hon'ble Delhi High Court vide Judgement dated January 15, 2019. DAMEPL has filed Special Leave Petition (SLP) before the Hon'ble Supreme Court of India against the said Judgement dated January 15, 2019 of Division Bench of Hon'ble Delhi High Court. Hon'ble Supreme Court of India, while hearing the interlocutory Application filed by DAMEPL seeking interim relief, had directed vide its Order dated April 22, 2019 that DAMEPL's accounts shall not be declared as NPA till further orders and further directed listing of the SLP for hearing on July 23, 2019. However, the matter was adjourned on DMRC's request dated July 22, 2019. Later, the hearing could not take place due to various reasons including COVID-19 lockdown. The SC vide its order dated June 15, 2020 has scheduled the hearing on July 29, 2020 for final submissions and the same was adjourned to August 19, 2020. Based on the facts of the case and the applicable law, DAMEPL is confident of succeeding in the Hon'ble Supreme Court. In view of the above, pending outcome of SLP before the Hon'ble Supreme Court of India, DAMEPL has continued to prepare its financial statements on going concern basis.
5. Certain subsidiaries and associates have continued to prepare the financial statements on a going concern basis. The details thereof together with the reasons for the going concern basis of preparation of the respective financial statements are summarised below on the basis of the related disclosures made in the separate financial statements of such subsidiaries and associates:

- a) In respect of Mumbai Metro One Private Limited (MMOPL), a subsidiary of the Parent Company, the net worth has eroded and as at the quarter end, its current liabilities exceeded its current assets. MMOPL is taking a number of steps to improve overall commercial viability which will result in an improvement in cash flows and enable the Company to meet its financial obligations. It has shown year-on-year growth in passenger traffic and the revenues of the Company have been sufficient to recover its operating costs and the EBITA (Earnings before Interest, Tax and Amortization) has been positive since commencement of operations. Additionally, the overall infrastructure facility has a long useful life and the remaining period of concession is approximately 25 years. MMOPL is also in active discussion with its bankers for restructuring of their loans. The Lenders of MMOPL have decided to implement the resolution plan submitted by MMOPL and lead bank has already sanctioned the same and other lenders are in the process of obtaining necessary approvals. The Parent Company has confirmed to provide necessary support to enable MMOPL to operate as a going concern and accordingly, the financial statements of MMOPL have been prepared on a going concern basis.
- b) In case of GF Toll Road Private Limited (GFTR), due to its inability to pay the overdue amount of Rupee Term Loan instalments, it has been classified as a Non Performing Asset (NPA) by the consortium lenders. The consortium lenders have stopped charging monthly interest amount with effect from the date of classifying the account as NPA. However, GFTR has been regular in paying the monthly interest amount on accrual basis. GFTR is under discussion with the consortium lenders and has proposed a Resolution Plan (RP). The Lead Lender and the consortium are in the process of appointing Techno Economic Viability consultant for presenting RP to the consortium. In view of the above, in spite of the Loan account being classified as NPA by the lenders and the ongoing RP, the management of GFTR continues to prepare the financial statements as a 'Going Concern'.
- c) In case of TK Toll Road Private Limited (TKTR) a wholly owned subsidiary of the Parent Company, the current liabilities of the TKTR have exceeded its current assets as at June 30, 2020. TKTR is undertaking a number of steps which will result in an improvement in cash flows and enable TKTR to meet its financial obligations. The revenues of TKTR have been sufficient to recover the operating costs and the EBITA (Earnings before Interest, Tax & Amortisation) has been positive since the commencement of the operations. Additionally, it enjoys long concession period extending upto FY 2038 and the current cash flow issues have occurred due to mismatch in the repayment schedule vis a vis the concession period.

TKTR is also in advanced stages of discussion with its lenders for restructuring of their loans and is confident that the restructuring plan would be approved. Further it has filed arbitration claims worth Rs 1,117.00 Crore, and is confident of favourable outcome, which will further improve the financial position of the TKTR. Accordingly, notwithstanding the dependence on above said material uncertain events, TKTR continues to prepare the financial statements on a going concern basis.

- d) In case of TD Toll Road Private Limited ("TDTR") a wholly owned subsidiary of the Parent Company, the current liabilities of TDTR have exceeded its current assets as at June 30, 2020. TDTR is undertaking a number of steps which will result in an improvement in cash flows and enable TDTR to meet its financial obligations. The revenues of TDTR have been sufficient to recover the operating costs and the EBITA (Earnings before Interest, Tax & Amortisation) has been positive since the commencement of the operations. Additionally, it enjoys long concession period extending upto FY 2038 and the current cash flow issues have occurred due to mismatch in the repayment schedule vis a vis the concession period. It is also in advanced stages of discussion with its lenders for restructuring of their loans and is confident that the restructuring plan would be approved.

Further it has won arbitration claim worth Rs 158.45 Crore, which will further improve the financial position of the TDTR. Pursuant thereto one of the lender applied for the insolvency petition under the Insolvency and Bankruptcy Code, 2016 (IBC) against TDTR before the Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench, for non payment of the interest and the instalments payable under the Rupee Term Loan Agreement. The Hon'ble NCLT vide its order dated November 25, 2019 admitted the application and appointed the Interim Resolution Professional (IRP). The IRP took over the affairs of TDTR from December 05, 2019. Aggrieved by the order of the NCLT Mumbai Bench, TDTR moved an appeal before the Hon'ble National Company Law Appellate Tribunal (NCLAT) praying to set aside the impugned order and stay the proceedings. The said Appeal is dismissed on May 22, 2020. Civil Appeal filed by one of

the Directors of TDTR is pending in Supreme Court. Meanwhile Committee of Creditors was formed and the IRP was appointed as Resolution Professional.. Accordingly, notwithstanding the dependence on above said material uncertain events, TDTR continues to prepare the financial statements on a going concern basis.

- e) Notwithstanding the dependence on these material uncertain events including achievement of debt resolution and restructuring of loans, time bound monetisation of assets as well as favourable and timely outcome of various claims, the Group is confident that such cash flows would enable it to service its debt, realise its assets and discharge its liabilities, including devolvement of any guarantees / support to certain entities including the subsidiaries and associates in the normal course of its business. Accordingly, the consolidated financial statements of the Group have been prepared on a going concern basis.
6. The Reliance Group of companies of which the Parent Company is a part, supported an independent company in which the Parent Company holds less than 2% of equity shares ("EPC Company") to inter alia undertake contracts and assignments for the large number of varied projects in the fields of Power (Thermal, Hydro and Nuclear), Roads, Cement, Telecom, Metro Rail, etc. which were proposed and/or under development by the Reliance Group. To this end along with other companies of the Reliance Group the Parent Company funded EPC Company by way of project advances, subscription to debentures and inter corporate deposits. The total exposure of the Parent Company as on June 30,2020 was Rs 8,109.06 Crore net of provision of Rs 3,972.17 Crore and the Parent Company has also provided corporate guarantees aggregating of Rs 1,775 Crore. The activities of EPC Company have been impacted by the reduced project activities of the companies of the Reliance Group. While the Parent Company is evaluating the nature of relationship; if any, with the independent EPC Company, based on the analysis carried out in earlier years, the EPC Company has not been treated as related party. Given the huge opportunity in the EPC field particularly considering the Government of India's thrust on infrastructure sector coupled with increasing project and EPC activities of the Reliance Group, the EPC Company with its experience will be able to achieve substantial project activities in excess of its current levels, thus enabling the EPC Company to meet its obligations. The Parent Company is reasonably confident that the provision will be adequate to deal with any contingency relating to recovery from the EPC Company. The Parent Company has further provided corporate guarantees of Rs 4,895.87 Crore on behalf of certain companies towards their borrowings. As per the reasonable estimate of the management of the Parent Company, it does not expect any obligation against the above guarantee amount.
7. KM Toll Road Private Limited (KMTR), a subsidiary of the Parent Company, has terminated the Concession Agreement with National Highways Authority of India (NHAI) for Kandla Mundra Road Project (Project) on May 7, 2019, on account of Material Breach and Event of Default under the provisions of the Concession Agreement by NHAI. The operations of the Project have been taken over by NHAI and NHAI has given a contract to a third party for toll collection with effect from April 16, 2019. Accordingly, in terms of the provisions of the Concession Agreement, NHAI is liable to pay KMTR a termination payment estimated at Rs 1205.47 Crore as the termination has arisen owing to NHAI Event of Default. KMTR has also raised further claims of Rs 1,092.74 Crore. KMTR is confident of the positive outcome of the claims so raised. Pending final outcome of the notice of termination and possible arbitration proceedings and as legally advised, the claims for the Termination Payment are considered fully enforceable. Accordingly, notwithstanding the dependence on above said uncertain events, the company continues to prepare the financial statements on a going concern basis. The Group is confident of recovering its entire investment in KMTR, and hence, no provision for impairment of the KMTR is considered in the financial statements. The financial statements of the KMTR are classified as Discontinued operations as per Ind AS 105 "Non Current Assets held for sale and discontinued operations".
8. The listed non convertible debentures (NCDs) of Rs 1,087.70 Crore as on June 30,2020 are secured by way of first pari passu charge on certain fixed assets and investments. There are certain shortfalls in the security cover.
9. The Parent Company has net recoverable amounts aggregating to Rs 2,061.52 Crore from Reliance Power (RPower) Group as at June 30, 2020. Management has recently performed an impairment assessment of these recoverable by considering inter alia the valuations of the underlying subsidiaries of RPower which are based on their value in use (considering discounted cash flows) and valuations of other assets of RPower/its subsidiaries based on their fair values, which have been determined by external valuation experts. The determination of the value in use / fair value involves significant management judgement and estimates on the various assumptions including relating to growth rates, discount rates, terminal value, time that may be required to

identify buyers, negotiation discounts etc Accordingly, based on the assessment, impairment of said recoverable is not considered necessary by the management.

10. The Parent Company has entered into a Share Purchase Agreement with Cube Highways and Infrastructure III Pte Limited for sale of its entire stake in DA Toll Road Private Limited. The Company has received in-principle approval from NHA; final approval and customary approvals are awaited and hence has not been considered as Non-Current Assets held for sale and discontinued operations as per Ind AS 105 "Non-Current Assets held for sale and discontinued operations".
11. Delhi Electricity Regulatory Commission (DERC) issued Tariff Orders for truing up on September 29, 2015 for period upto March 31, 2014, on August 31, 2017 for the Financial Years 2014-15 and 2015-16, on March 28, 2018 for the Financial Year 2016-17 and on July 31, 2019 for Financial Year 2017-18 for two subsidiaries of the Parent Company, namely, BSES Rajdhani Power Limited (BRPL) and BSES Yamuna Power Limited (BYPL) (Delhi Discoms). DERC in these Tariff Orders had trued up the revenue gap with certain dis-allowances. Delhi Discoms have filed appeals against these orders before Hon'ble Appellate Tribunal for Electricity (APTEL). Based on legal opinion, the impacts of such disallowances, which are subject matter of appeal, have not been considered in the computation of regulatory assets for the respective years. This matter has been referred to by the auditors in their report as an emphasis of matter.
12. NTPC Limited served notice on Delhi Discoms for regulation (suspension) of power supply on February 01, 2014 due to delay in payments. The Delhi Discoms filed a writ petition against the notice before the Hon'ble Supreme Court (SC) and prayed for suitable direction from Hon'ble SC to DERC for providing cost reflective tariff and giving a roadmap for liquidation of the accumulated Regulatory Assets. The Hon'ble SC in its interim order directed the Delhi Discoms to pay the current dues (w.e.f. January 2014). The Delhi Discoms sought modification of the said order so as to allow them to pay 70% of the current dues which was allowed by Hon'ble SC in respect of Delhi Power Utilities only on May 12, 2016. In the last hearing on May 02, 2018, the Hon'ble Judge did not pronounce the judgement. Since then, both the Judges have retired, the matter shall be re-heard before another Bench. However, on April 11, 2019 new interim application have been filed by Delhi Power Utilities in pending contempt petitions of 2015 alleging non compliance of Supreme Court order regarding payment of current dues. On November 28, 2019, Counsel for Delhi Power Utilities requested for early hearing of the Contempt petitions. These matters along with Writ Petitions were listed on January 7, 2020 before Hon'ble Court. The Hon'ble Court on the request of Delhi Discoms directed that, all connected matters be tagged with Writ and Contempt Petitions. An application for early hearing of tariff appeals of 2010 was filed by BSES Discoms and the same got listed along with Writ on July 17, 2020. The Hon'ble Court directed the listing of appeal alongwith connected matters in the month of December 2020. This matter has been referred to by the auditors in their report as an emphasis of matter.
13. Pursuant to the direction of the Department of Power (GoNCTD) on January 07, 2014, the Comptroller and Auditor General of India (CAG) conducted audit of Delhi Discoms and submitted the draft audit report. The Delhi Discoms challenged the direction of GoNCTD before the Hon'ble High Court of Delhi (HC). The Hon'ble HC in its order dated October 30, 2015 set aside the directions of GoNCTD and concluded with "direction to set aside all actions taken pursuant to the January 07, 2014 order and all acts undertaken in pursuance thereof are in-fructuous". The aggrieved parties have filed an appeal against the Hon'ble HC judgement before the Hon'ble Supreme Court (SC) which was last heard on March 9, 2017. The Court has reserved its order on the issue whether it would like to hear the matter or transfer it to the constitutional bench where matter between GoNCTD powers vis-a-vis Lieutenant Governor (LG) powers was then pending. On July 03, 2017 the Bench opined that the instant appeals need not be referred to the Constitution Bench and adjudication of the appeals should not await the outcome of the decision of the Constitution Bench. In terms of the signed order, appeals were directed to be listed for hearing on merits. Next date of hearing is not yet fixed. This matter has been referred to by the auditors in their report as an emphasis of matter.
